**Note:** ballot harvesting is 100% legal in California. Collect completed ballots from everyone you know and turn them in. Be sure to complete the required information. Everyone's voice must be heard.

**Tip:** If you do not know anything about any of the persons, leave it blank. Do not help someone you know nothing about get elected. It could turn out badly.

The Burbank Republican Party cautions against randomly selecting candidates or voting on measures without understanding their impact.

We oppose and vote against any and all efforts to increase taxes, including bond measures.

For voter-nominated offices, voters may choose any candidate on the official ballot regardless of party preference. This guide lists Republican candidates where applicable. Nonpartisan offices list qualified candidates without party labels.

### The seven core principles of conservatism are:

- 1 Individual freedom
- 2 Limited government
- 3 The Rule of Law
- 4 Peace through strength
- 5 Fiscal responsibility
- 6 Free markets
- 7 Human dignity

### A note about races where no recommendation is listed:

- ★ If we have not made a recommendation in a particular race, it does not mean the office is unimportant. It means we have not identified enough reliable information to make a responsible endorsement.
- ★ If you do not know anything about the candidates in a particular race, it is perfectly acceptable to leave that race blank. That is not disrespectful to the candidates. It is a responsible choice when you do not have enough information to make an informed decision.
- ★ We encourage voters to do their own research, contact the candidates directly, review their public statements, and decide whether a candidate reflects their values before voting in that race.
- ★ Candidate contact information may be reviewed through the Los Angeles County Registrar-Recorder/County Clerk's candidate information page and the California Secretary of State's official candidate contact list for the June 2, 2026 Primary Election.

### Disclaimer regarding organization endorsements:

Endorsement information is provided for transparency only. We respect the right of all Americans to organize freely. Our Republican values are based on equal treatment, individual dignity, and service to all people, not the elevation of any subgroup based on ethnicity or identity.
